

12 October 1977

MEMORANDUM FOR: Director of Strategic Research
THROUGH: Director, National Foreign Assessment Center
FROM: Director of Central Intelligence
SUBJECT: Tactical Air Model

Attached are some papers explaining a simplified tactical air model prepared by Joe Appleton, who was my deputy scientific adviser in Naples. I found them interesting and send them along for whatever use they may be to you. If you find the concepts worth pursuing, can tell you how to contact Joe.
